EDUCATION

B.Tech (CSE) 2026
Sri Venkateshwara College of Engg.
Percentage: 74%

Intermediate (H.S.C) 2022
Githam College
Percentage: 75.8%

S.S.L.C 2020
JCR Chaithanya
Percentage: 91%

TECHNICAL SKILLS

Proficient In:

- HTML, CSS

Familiar With:

- JavaScript, React
- Python (Basics)

Tools:

- Git & GitHub
- VS Code

LANGUAGES

Telugu	Native
English	Professional

STRENGTHS

- Quick Learner
- Adaptable and Flexible

- Good Communication Skills
- Team Player
- Self-Motivated

CAREER OBJECTIVE

To secure a challenging position as a software professional where I can apply my technical skills, learn continuously, and contribute effectively to organizational growth while enhancing my personal and professional development.

PROFESSIONAL CERTIFICATION

Python Full Stack Development
Think Champ Pvt Ltd

PROJECTS

Hybrid Naïve Bayes Model for Scam Detection

Python, Machine Learning, Naïve Bayes, Pandas, Scikit-learn, Conda, XAMPP

- Developed a machine learning-based scam detection system using a hybrid Naïve Bayes approach for identifying email phishing and financial fraud patterns.
- Performed data preprocessing including tokenization, stop-word removal, and feature extraction for improved model accuracy.
- Implemented text classification to categorize emails into spam/ham using probabilistic learning.
- Built a comparative analysis model for email spam detection vs financial fraud datasets.
- Handled class imbalance and high-dimensional data to improve prediction performance.
- Used Conda for environment setup and dependency management.
- Configured XAMPP server for local deployment and testing.
- Evaluated model using accuracy, precision, and recall metrics.

Personal Portfolio Website

HTML, CSS, JavaScript

- Designed and developed a responsive personal portfolio website.
- Showcased skills, education, and contact information with a clean UI.

Weather Application

HTML, CSS, JavaScript

- Developed a weather application using a public API.
- Displays real-time weather data including temperature and conditions.
- Built with a user-friendly interface.

DECLARATION

I hereby declare that the above information is true and correct to the best of my knowledge and belief.
